Style is a statement, the expression of a design vision. Now, give full expression to your vision with Speak, a collection of exceptional modular carpet options from Masland Contract. Progressive design with outstanding quality will complete any project that Speaks to you.

How do you Speak? It's easy:

It's all about freedom of expression with Pep Talk. Each of its tile and plank designs can be configured in a multitude of ways to produce movement in the floorscape. The differentiating amounts of color-play in each tile build energy into commercial designs, making Pep Talk a well-spoken candidate for contemporary business interiors.

With Pep Talk modular tiles and/or planks, you are free to create movement in the visual field, using different combinations to articulate your design vision.

PEP TALK

Get commercial design conversations moving with the quickstep movement of geometric design found in Pep Talk. Delivering performance that lasts long after the initial speeches are over.

*For detailed percentage of recycled content, contact your Masland Contract representative.

Specifications may vary slightly over the life of a product. For current specifications, please visit www.maslandcontract.com.

Pep Talk is 3rd party certified PLATINUM by the NSF/ANSI 140 Sustainable Carpet Standard.

The positioning of pattern elements within a tile is random. Within a product, each tile will exhibit a unique placement of the pattern elements comprising that product.

Slight variations between sample swatches and production goods are to be expected and are considered normal. Likewise, such variations will occur between production goods of different dye lots. Masland laboratory matches are obtained under cool white fluorescent lighting. Chair pads are recommended to enhance the aesthetic value and longevity of the product.

Help Us Recycle

Masland Contract's goal is to eliminate all product waste going into landfills. Help us by removing samples from folders and recycling folders through your standard paper recycling process. Forward samples to Masland by using prepaid address labels available through your Masland Contract representative.

All Masland designs are protected under the U.S. Copyright Act of 1976. Any unauthorized duplication or approximation of a Masland design constitutes copyright infringement in violation of Federal Law.
